Steaks are cut to the thickness you specify: 1" is average thickness. Steak thickness must be the same for split halves to ensure there is an even division of the cuts.

Sausage or ground are packed in 1lb packs unless otherwise specified. The patties are in rolls of 10 unless specified. If you want different pack sizes please talk to us about your preference, there may be additional charges with other pack sizes. The sausage, ground and patty meat all come from the trimmings and will be adjusted accordingly based on your request.

Your pork will be ready for pick up on the Saturday the week your animal was sent in for slaughter. You can pick up your pork during normal business hours-
